

Tommy Walks Tall Handout F

When I am happy, I like to tell people.

This is what makes me happy

Things like - birthdays,

friends, playing pets

These are the people I tell when I am happy

People like - mum, friends,

teacher, nana, grandad

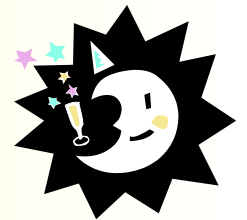

When I am sad I like to tell people.

This is what makes me sad.

Things like - being pushed,

being called names, being left out

These are the people I tell when I am sad.

People like - mum, friends,

teacher, nana, grandad

This is what makes me special.

I am glad I'm ME because

Things like - I've got a friend called,

I share my toys, Somebody special loves me
